### ***A service partnership***

Just before the start of the Russell County Community Partnership's May 20 meeting, Byrne Wood, executive director of the Russell County Area Community Foundation, presented a donation from the foundation to the RCCP. The donation of \$500, provided by a fund overseen by the RCACF, will support the RCCP's Adopt-A-Child for Christmas program. The Christmas program provides gifts to needy children. Pictured, Wood presents the donation to Duane Adams, RCCP president.
