Public Schools

*Would you like
to honor
your favorite teacher,
coach, or friend?*

The Apple Seed Program is a school endowment program administered by Russell County Area Community Foundation (RCACF) to provide grants for educational opportunities not included in the school budgets. For example, computer software, leveled reading libraries, and classroom endeavors. An advisory committee consisting of representatives from each school area and one RCACF board member will recommend the grant requests to the Foundation Board.

Right now, The Kansas Health Foundation of Wichita, Kansas, is providing a 50% match (maximum of \$200,000) of your gift for the Apple Seed Program.
